**ADVENTURES  
DONE  
RIGHT**

Join us for this amazing duo-adventure of a lifetime! Trek up Kilimanjaro & experience a wildlife Safari into the heart of Africa.

Lemosho route is the most dramatic and beautiful route up Kilimanjaro. It traverses some of the most striking and least traveled landscapes, including the base of Kibo Peaks and dramatic south-

facing glaciers. This route has added benefits of trekking across the Plateau a World Heritage Site trekking 180 degrees around Kilimanjaro and also allows plenty of time to acclimatize to the high altitude which is the key to your safety, comfort, enjoyment, and success while trekking Kilimanjaro.

## ***THE BEST OF TWO WORLDS***

DURING OUR SAFARIS WE WILL EXPLORE BOTH NGORONGORO CRATER + TARANGIRE NATIONAL PARKS

Ngorongoro crater is the worlds largest caldera full of grassland, forest and home to more than 25,000 large mammals.

ENJOY A TARANGIRE LUXURY CAMP LODGE AFTER OUR SUNSET SAFARI DRIVE

Tarangire National Park is referred to as the playground of elephants. Its vegetation consists of Acacia woodland and the famous giant African Baobab trees. Its river & swamps are the perfect magnets for wild animals.

After a successful summit Kilimanjaro we will head back to our hotel overlooking the mountain for a few days rest before heading off to an exciting multi-day Safari with extensive game drives through both Ngorongoro crater and Tarangire National Park.

We will also spend time with local Maasai tribe and have the opportunity to spot wildlife in their natural habitat.

Tarangire National Park is home to buffalo, lions, black rhino, leopards, hyenas and many more.
